

## Looks Like O. V. Boob Is "Hope Of the White Race"

By Peter

## TEXAS LEAGUE NOTES

By Horace H. Shelton.

Deardoff, who jumped the Fort Worth team, is pitching for Jonesboro, Ark., in the Arkansas league. He is doing some mighty fine work.

Louisville has made Fort Worth a check for \$50. This was because a substantial offer for Elmer Coyle, the hard hitting outfielder, but it has been refused. His services are needed in the present pennant race.

The fans of Houston have just mailed to Chelette, of the Oklahoma City team a check for \$50. This was because he won a double victory over Dallas, which team Houston has to whip to win the pennant. Dallas offered the San Antonio pitchers a like sum to beat Houston, but the Bronchos failed to earn the money.

Joe Gardner, of the Dallas team, will make a scouting trip into the middle west this fall, visiting the Trolley league at St. Louis, the Ohio State league and the O-P league in search of players for the 1911 Giants.

Clifton, the relief catcher for Oklahoma City, comes from Guthrie in the Western association. He brings a good record with him.

Numerous games are now being protested in the Texas league. At the end of the season the decisions of the managers in regard to those games may decide the pennant one way or the other.

Miller, playing third base for the Oklahoma City team, is the smallest man in the league. At the same time he is one of the fastest.

Fred Moore, of the Fort Worth team, wears a medal for his work in the longest game ever played in organized baseball. It was between Decatur and Bloomington. The game went 26 innings and was called on account of darkness.

Walter Shontz, with Dallas, will go to the big league in mighty bad condition.

**JIM ROUS IN HARD LUCK WITH HORSES**

Trainer Is Ill and Horses Have to Be Taken Off the Track.

From a paragraph in a late issue of the Horse Review, it is stated that Jas. C. Rous, Jr., last year secretary of the El Paso Fair association has met, owing to the illness of his trainer and driver, with considerable bad luck. The paper referred to says: "It transpires that Al Pepper, who shipped a number of horses to the Winnipeg and other Canadian meetings as well as North Dakota has been continually ill since reaching that country and been unable to train and drive. It became necessary for J. C. Rous, Jr., the El Paso, Tex., campaigning owner, to make a trip to that section, since he owned all the horses in the Pepper stable, and return home with them, since they had lost their form during Pepper's illness and could not well be raced. In the stable were Nancy C., 2:21-2, by Constano; Howard G., 2:27-2, by Beamer; and the yearling chestnut pacing stallion, Vingle Bell, by Klatsawah, p. 2:51-2, dam by Red Prince, 2:56-1-4.

**LA MESA DEFEATS ANTHONY IN EXCITING BALL GAME**

La Mesa, N. M., Aug. 26.—The West Side team of La Mesa defeated the Rio Grande athletic association team at Anthony by a score of 16 to 8. The West Side team made six runs in the first inning. A. R. Herron did good

tion. The recent attack of malaria almost completely unnerved him.

Monte Cross, one of the most famous of the big league players, broke into organized baseball in Texas when the old league was first organized. He went to Philadelphia, where he made a great record. He is now out of organized baseball.

Bates Simpson is after the Oklahoma City franchise. What he will go with it, even if he gets it remains to be seen. Trestau, of the Shreveport team, looks like big league timber alright. His work this season has been the most consistent of any player purchased by the big leagues.

One Jimmy Maloney, of Dallas, expresses the opinion that he will win the pennant. It looks as if he had the dope about right this time. He has been a long time since Dallas won the flag.

Kaphan's work at Galveston is proving him to be a first class umpire. He has been called home on account of a permanent job at handling the offender.

Eberlin, first baseman of the Fort Worth team, has turned down an offer from the Washington Americans to join that team. He says he is not yet ready to go to big league company. He desires first to graduate from the university. He is studying engineering.

Klawitter, the former Texas league player, who has been the sensation of the Southern league, has been recalled by the New York Giants. He was only in the Southern league on an optional agreement. He has been with the Memphis team.

Conway, of the Waco team, has been called home on account of the death of his wife. He was playing in the game at Galveston when the telegram was handed him. He will probably be out of the game the rest of the season.

work in the pitcher's box for La Mesa, striking out 22 men. The batteries were, Anthony: Lyman and Carpenter; Le Mesa, C. A. Herron and W. Herron.

**BARBECUE FOR THE DOUGLAS DEMONS**

Douglas, Ariz., Aug. 26.—The Demons must be kept in the harness. That is the slogan in Douglas, and Daniel A. O'Donnell, N. Y. Thursday, has been busy getting things ready for the big barbecue which is to be pulled off at Sportsmen's park next Saturday evening. The Douglas Mexican band will be there, also an orchestra. The fatted calf will be served with pork and mutton on the side, and everybody will be sipping off the generous portions of beef.
